

telehook

The Telehook mounts for LCD, plasma TVs and displays offer a broad range of comprehensive solutions for both small and large displays. Telehook mounts are easy to install and guarantee that your display will be securely mounted.

The Telehook full motion mounts offer users the greatest level of flexibility and can be adjusted to suit any viewing angle. The full motion range features quick release mechanism for fast and easy display attachment and removal and gives users complete control over tilt, pan and rotation capabilities to ensure a tailor-made viewing angle every time. The full motion range combines essential features and valuable benefits from movement to cable management that offer adjustability, ease of installation and sophisticated, well thought out, design.

Ergonomic Solutions is one of Europe's leading manufacturers and suppliers of technology mounting solutions. We prioritise safety and usability and our products and complementary services offer our clients a complete package that includes successful technology integration and guarantees customer satisfaction.

Wall mount, VESA fixings (25kgs)

TH-1040-VFM

- Maximum display weight: 25kgs (55lbs)
- Supports VESA mounting hole patterns:
 - 100mm x 100mm (4" x 4")
 - 200mm x 100mm (8" x 4")
 - 200mm x 200mm (8" x 8")
- Maximum reach from wall: 444mm (17½")
- Minimum distance from wall: 102mm (4")
- TV tilt adjustment: +/- 20° angular tilt
- 360° infinite horizontal rotation
- Advanced internal cable management
- Theft resistant design
- Features ball joint mechanism for infinite TV adjustment for any viewing angle up to 40°
- Quick release mechanism for fast display attachment and removal
- Masonry and timber stud wall mounting hardware included

Wall mount, VESA fixings (35kgs)

TH-2050-VFM

- Maximum display weight: 35kgs (77lbs)
- Supports VESA mounting hole patterns:
 - 100mm x 100mm (4" x 4"), 200mm x 100mm (8" x 4")
 - 200mm x 200mm (8" x 8"), 300mm x 200mm (12" x 8")
 - 300mm x 300mm (12" x 12"), 400mm x 200mm (16" x 8")
 - 400mm x 300mm (16" x 12"), 400mm x 400mm (16" x 16")
- Maximum reach from wall: 540mm (21¼")
- Minimum distance from wall: 110mm (4½")
- TV tilt adjustment +20°/-5°
- TV horizontal adjustment of +/-5°
- Advanced internal cable management
- Theft resistant design
- Features ball joint mechanism for infinite TV adjustment for any viewing angle up to 40°
- Quick release mechanism for fast display attachment and removal
- Masonry and timber stud wall mounting hardware included

Wall mount, VESA fixings (25kgs)

TH-2040-VTR

- Maximum display weight: 25kgs (55lbs)
- Supports VESA mounting hole patterns:
 - 100mm x 100mm (4" x 4")
 - 200mm x 100mm (8" x 4")
 - 200mm x 200mm (8" x 8")
- Distance from wall: 77mm (3")
- TV tilt adjustment +20°/-5°
- 360° infinite horizontal rotation
- Features ball joint mechanism for infinite TV adjustment for any viewing angle up to 40°
- Portrait to landscape rotation
- Quick release mechanism for fast display attachment and removal
- Masonry and timber stud wall mounting hardware included

Wall mount, VESA fixings (25kgs)

TH-1032-VFM

- Maximum display weight: 25kgs (55lbs)
- Supports VESA mounting hole patterns:
 - 75mm x 75mm (3" x 3"), 100mm x 100mm (4" x 4")
 - 200mm x 100mm (8" x 4"), 200mm x 200mm (8" x 8")
- Maximum reach from wall: 244mm (10")
- Minimum distance from wall: 90mm (3½")
- TV tilt adjustment: +/-20° angular tilt
- 360° infinite horizontal rotation
- Advanced internal cable management
- Features ball joint mechanism for infinite TV adjustment for any viewing angle up to 40°
- Portrait to landscape rotation
- Quick release mechanism for fast display attachment and removal
- Masonry and timber stud wall mounting hardware included
